

Equipment Director

Overview: The equipment director orders equipment as needed for Wethersfield Little League baseball and softball divisions, while maintaining financial responsibility to the league budget. The director will organize, distribute, and collect equipment for each season; spring/summer/fall, as well as off season activities.

Responsibilities:

- * Order equipment as needed for the entire year
- * Order first aid as needed
- * Maintain and/or clean equipment as needed
- * Organize equipment for each team (equipment bags)
- * Maintain field equipment boxes (equipment/first aid)
- * Collect and redistribute equipment season to season
- * Collect equipment and evaluate replacement needs at end of the year
- * Order and distribute field material as needed

Equipment Boxes (all)

Summer/Fall

juniors/50/70 use diamond game balls, all others use Dicks game balls

Tees/ Nets

Softball and juniors have option to have a portable tee and net

Ordering

We order from Anthem Sports and AD Starr (Dicks), ordering could be anywhere as long as they accept our invoicing of paying 30 days after receipt of ALL equipment.

We are tax exempt, if ordering from anyone else or purchasing with credit card, use tax ID number.

AD Starr gives best prices in most cases, plus we get a credit give back which we apply to invoices. Have been delivered to personal residence and brought to equipment locker but new self storage now allows for deliveries to be made to our locker (league approval and key given to self storage)

Anthem will have better pricing on some items, and often some better choices. I will order from them to keep them "happy" as they deliver next day when in stock, which is great for emergency as needed.

I have ordered in early December but orders can be made at any time

I order early in case there are back orders on any products plus it allows me time to put together team bags.

Field Material

Field material is purchased from Hart Seed (Old Wethersfield) and delivered. (Costello)

We bring to Classic, Highcrest, Greenfield as needed

Invoicing

All invoices are forwarded to the Treasurer, Hart Seed sends directly.
